Dear Parents,

As you are aware, as part of the pupils' Personal, Social and Health Education, the children are being introduced to the subject of sex and relationships.

Following the advice from the county's SRE advisory teacher, in Y4 we look at how babies are made and born, puberty, families and friendships.

Pupils are taught using a range of resources, including a DVD and class discussion aimed at their age. Pupils are encouraged to go home and talk about what they have discussed in class with you, their parents.

On Wednesday, 10<sup>th</sup> July following the parents' assembly we will be showing the key parts of the DVD to which all parents are invited, this will be an ideal opportunity for you to familiarise yourself with the materials and get an idea of what your child may want to talk about in the coming weeks.

If you feel you do not want your child to take part in these lessons, which will take place on Thursday, 11<sup>th</sup> July, please let us know beforehand and the necessary arrangements can be made.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'E Sharp'.

Mrs E Sharp,  
Headteacher.
