**Monday 1<sup>st</sup> June 2020**

Dear Parents,

Welcome back to a new half term, it is certainly not how we expected to be starting the final half term of the year. We have been working hard behind the scenes to get ready to begin our phased return this week.

As we had no idea how long we would be shutting for when we closed, we sent everyone home with an exercise book to complete their home learning in. We are aware that some of you may well be running out of room in these, and the Post Office have kindly agreed to host a box of resources for pupils to collect for their home learning. You will find exercise books and spare pencils. We will be looking to restock this as needed, so please just take what you need and we will keep replacing them.

I wrote to you last week to let you know that Mrs George would be helping support home learners while staff are in school, there have been some slight alterations to this, here is the updated information:

- Mrs Spedding will be supporting preschool and reception.
- Mrs George will be supporting Year 1, Year 2 and Year 3
- Mr Lloyd will be supporting Year 4
- Mrs Leslie will be supporting Year 5 and Year 6.

Thank you to everyone for keeping in touch, we would appreciate it if you could make sure you contact your child's teacher again this week. Please remember this is not about checking how much work you are doing, it is just about checking you are all well.

Yours sincerely

Mrs Winn
