Dear Parents,

We have a few things to share with you today.

Reverend Becky and Reverend Nicki have put together some all age resources for Pentecost that you or your families might find helpful/interesting. There is a YouTube video and resource sheet to go with it, links to which can be found on the church website: <https://stbeespriory.org.uk/notes-for-sunday-31-may/>

We have a parent who works for Barnardo's, and has kindly sent these links to share with you all:

- A lovely way to explain to your children how to show affection for their friends and family that they are not allowed to hug!  
<https://www.youtube.com/watch?v=2PnnFrPaRgY>
- A resource booklet about returning to school <https://www.elsa-support.co.uk/wp-content/uploads/2020/05/Coronavirus-back-to-school.pdf>

Attached with this letter is a book called "Coming Back to School in a bubble" which was written to help children understand how the school will be different with social distancing measures.

Finally a reminder about some resources which were mentioned in our risk assessment. The site [E-bug](https://e-bug.eu/eng_home.aspx?cc=eng&ss=1&t=Information%20about%20the%20Coronavirus) has a range of resources including "Horrid Hands" and "Super Sneezes" for Key stage 1 and "Hand hygiene" and "Respiratory Hygiene" for Key Stage 2.

We hope you find these links useful and are all keeping safe and well.

Yours sincerely

Mrs Winn
